

## Facts

**Save 5 Acres has a very solid approach to Horse Boarding.  
These are the facts related to our views.**

1. We never proposed that unlimited commercial boarding be allowed on any five acre property in the village.
2. We never proposed that commercial boarding for up to 9 horses be allowed on any five acre property.
3. We never supported unregulated boarding in the village.
4. We think that large scale boarding has occurred in the village for nearly 70 years and has been an asset.
6. We think that small, back-yard boarding has occurred in the village for 50 years and is an asset.
7. We think the village should determine how both backyard boarding and large scale boarding should be regulated
