Illinois 59 resurfacing begins June 3

CHICAGO – The Illinois Department of Transportation announced today that a patching and resurfacing of Illinois 59 (Barrington Road/Hough Street) from Main Street, in Barrington, to Hawthorne Road (Illinois 59), in Barrington Hills, will require intermittent daytime lane closures beginning, weather permitting, Monday, June 3.

The project, which also includes constructing new ADA-compliant sidewalk ramps and cleaning and sealing cracks on Hawthorne Road south to Dundee Road (Illinois 68), is anticipated to be completed in September.

Access to residences and businesses within the work zone will be maintained throughout construction.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Over the [next six years](#), IDOT is planning to improve more than 3,000 miles of highway and nearly 10 million square feet of bridge deck as part of Rebuild Illinois, which is investing \$33.2 billion into all modes of transportation. [Accomplishments](#) through Year Four of Rebuild Illinois included approximately \$12.1 billion of improvements statewide on 5,339 miles of highway, 533 bridges and 762 additional safety improvements.
