**ROADS & BRIDGES  
Special Meeting  
9/18/2024**

**DRAFT Meeting Minutes**

**Called to order:** 4:07 PM

**Present**

- Chairperson Laura Ekstrom
- Anna Paul, Director of Administration
- Steve Cieslica, Trotter & Associates

**Public Comments**

None

**Minutes**

Minutes – 4/23/2024

Approved

**Snow Plowing Program Bid Results**

Ekstrom reported the bids for the upcoming Snow Plowing Program were opened the previous day and that the bids were being reviewed by the Village Engineer .

Cieslica reported on bids received for plowing, companies could submit an Alternate A and/or an Alternate B proposal. Alternate A was to be all-inclusive, Alternate B was the cost for the season for plowing, and a usage price for salt. He also reported that some of the vendors included additional services and read through those.

In both Alternate A and B, it appeared that Alan’s Horticulture was the low bidder. The Committee discussed whether the preference was all-inclusive or if the Village wanted to accept the variable cost associated with salt usage.

The Committee recommend the Board accept the all-inclusive Alan’s Horticulture Bid.

**Road Program 2024 Review**

Cieslica reported that the only item we are waiting for is for the grass to grow.

**Road Program 2025 Discussion**

Committee discussed whether they wanted another roadbotics report this year, since Trotter is now able to help facilitate the process at a lower price. Consensus was that at this time the roads are in good enough condition that the update report isn’t needed.

The Committee plans to come to the next meeting with specific roads to consider for resurfacing

**Meeting adjourned: 4:44 PM**
