10/19/26 (original request voluminous) 10/26/26 (amended request)	To narrow the scope of my request and address the District's determination that it is voluminous, I am amending my request to prioritize the following existing, nonexempt records for the period of September 14 through October 14, 2026, relating to my *student*. 1. Stop-arm records and supporting data Existing electronic logs, event records, timestamps, status codes, or reports showing whether the bus stop arm was extended during *student's* drop-offs, including available records showing the beginning and ending of stop-arm events. Please also include existing records supporting the District's conclusion that the stop arm was extended during each drop-off. (responsive record sent) 2. My three complaints to Barrington Transportation Company (BTC) Complaint logs, incident reports, notes, emails, and other existing records documenting my three telephone complaints regarding the driver's stop-arm procedures, including any actions taken in response. 10/28/26	As part of a research project on teacher compensation across districts over time, I am compiling a database of collective bargaining agreements covering U.S. public school teachers over the past twenty years. Under the Illinois Freedom of Information Act (5 ILCS 140), I am requesting copies of the following public records of Barrington Community Unit School District 220: 1. Each collective bargaining agreements between Barrington Community Unit School District 220 and Barrington Education Association, IEA-NEA, covering the certificated (teacher) bargaining unit and in effect at any time between 2001 and 2017. These may also be called master agreements, negotiated agreements, professional agreements, or contracts. I have located some agreements but am missing those covering 2001-2008 and 2016-2017. 2. Any memorandum of understanding, extensions, reopeners, or tentative agreements that amended those agreements during the same period. 3. The certificated salary schedules attached to or adopted under those agreements. (responsive records sent)	Response completed: 11/6/26	Barbara Biasi Yale University
11/2/26	Under the Illinois Freedom of Information Act (5 ILCS 140), I'm requesting electronic copies of the following records for any (a) custodial, janitorial or building cleaning, and (b) mowing, grounds or landscape maintenance bids, RFPs or quotes opened since January 1, 2024: 1. The bid tabulation or proposal summary (all bidders and their prices). 2. Each bidder's bid form or price page, including the company's business contact name, email and phone. 3. The award recommendation or notice of award, and the current contract or latest renewal/extension with its price. 4. The scope pages showing building square footage and cleaning frequency or staffing; for grounds, the sites or acreage and number of mowings. If you haven't bid one of these services since 2024, the current contract and its latest renewal or extension would be great instead. Supply-only purchases (equipment, chemicals) and construction projects aren't needed.	Response in progress (commercial)	Nick Koz Priced to Win
11/9/26	Please provide certified / teaching / professional instructional staff if that is how existing reports are maintained; otherwise the existing all-employee report. Records requested: 1. Current staff directory (existing), including where maintained: name; position / job title; school or building; district-issued work email address. 2. Employees hired on or after July 1, 2025 (existing new-hire or employment report), including where maintained: name; hire date; position / job title; school or building; district-issued work email. 3. Employees separated on or after July 1, 2025 (existing separation / termination / retirement report), including where maintained and releasable: name; separation date; position / job title; school or building; separation status or reason code (for example retired or resigned) if that field exists. I am not requesting performance evaluations, medical information, or other private personnel details beyond those releasable status fields. Please exclude: personal email addresses, personal/home phone numbers, home addresses, SSN, DOB, and pay/salary detail. 11/10/26	Record requested: a list of every vendor and contractor the district paid, or held a contract or purchase order with, at any time from January 1, 2024 through the date this request is received. We are requesting a full list, so no new record needs to be created. Any one of the following satisfies the request, whichever is easiest: 1. A vendor payment summary (or vendor history) report from your accounting system for the period, showing each vendor's name and the total paid. 2. The check register or "bills paid" listings for that period showing the vendor name. 3. A contract list or contract register, if the district keeps one. 4. A link if this is already available publicly on a transparency portal (note that some board transparency portals show only vendor contracts above a certain high threshold. We would like a list of all vendors paid during the period)	Response in progress (commercial)	Daisy Charles Reeling Consulting
